Subject: Favorite photos from our weekend re-opening celebra on

Come intrigued. Leave inspired.

All smiles for our re-opening weekend celebration

Mint Museum Uptown and Mint Museum Randolph re-opened to the public with a celebratory weekend of music and free admission. Take a look at a few of our favorite photos captured throughout all of the festivities. Thanks to all who came to visit.

The Mint Museum is now open with regular operating hours. Please reserve your [timed ticket online and review our new safety regulations](#).

Weekend activities were sponsored by [Chase](#).

Experience augmented reality on your next trip to the Mint

In collaboration with the Arts and Science Council, Interactive CLT is a joint project that brings five pieces of art to life through augmented reality. Look for the special Interactive CLT marker in Mint Museum Uptown galleries, then hover your phone over the work of art to see the video.

Curator's Pick

We are sharing pieces from our galleries and collections to help bring peace and inspiration while we all practice social distancing. Our curators have chosen these pieces to give you the museum experience from home. To see more #CuratorsPicks, follow us on our social media channels.

Elliott Daingerfield (American, 1859–1932). "Landscape with Green Mountain," circa 1900, watercolor on paper. Museum Purchase. 1971.20.6

Landscape with Green Mountain. North Carolina native Elliott Daingerfield settled in Blowing Rock in the 1890s and spent many years capturing the scenery of the surrounding Blue Ridge Mountains. In this masterful watercolor, Daingerfield captures the mist rising up from a valley, swirling through the air and mingling with the low-hanging clouds.
